Malak Mohamed Hassan Soliman

ALQalyubiyah,Egypt | Email: malaksoliman049@gmail.com | LinkedIn: Malak Soliman

Summary

I am a Computer Science student specializing in Mobile and Cloud Computing, with experience using Java, C++, Python, and HTML. I am a fast learner who enjoys working in a team and always passionate about developing creative ideas and practical solutions. I am currently seeking an internship or entry-level opportunity where I can apply what I have learned and gain real-world experience.
